Respected Sir

This is to draw your kind notice that with your consent (Ref Memo No 23/19A dated 21/04/2022), we had asked National Test House, Eastern Regional Office for hosting a one day student visit at their facility at Salt Lake, Sector V. Accordingly, they had confirmed the visit on 27<sup>th</sup> May (Friday), 2022 vide email dated 26<sup>th</sup> May, 2022.

Under the circumstances kindly permit the UG students of Chemistry and Microbiology (total approx 30 students accompanied by four faculty members) to visit NTH (ER) at Salt Lake on the aforesaid date.

Following are the names of the faculty members who will be accompanying the students.

- Dr. Sanju Das
- Dr. Subhodip Samanta
- Mrs. Bipasha Roy
- Dr. Debalina Bhattacharya

The letter to NTH (ER) from your office and their confirmation mail are attached herewith for your kind perusal.

Yours faithfully

National Test House (ER)  
Block - CP, Sector - V, Salt Lake City, Kolkata - 700 091

## Sub: Request for permission of student visit programme to National Test House

Sir,

I have the honour to inform you that Maulana Azad College is a premier co-educational Institute under the Dept. of Higher Education, Govt. of West Bengal, affiliated to the University of Calcutta with an "A" grade accreditation by NAAC and the only college in eastern India with STAR status conferred by the Department of Biotechnology, Govt. of India. Our UG students of the Departments of Chemistry and Microbiology have to study many aspects of functioning of an industry including product quality control as part of their theory syllabus under the CBCS curriculum of the University of Calcutta. However, they seldom get an opportunity of a practical exposure of the same. It will be of immense benefit for our students if your establishment can help us with regards to the following.

- 1) Student visit at your establishment for exposure to various sophisticated devices and facilities used for ensuring quality control in industries.
- 2) Engagement of our students at your facility on contractual basis for training and subsequent deployment in various testing and quality control procedures.
- 3) Talks/seminar lectures by experts of your Institute at our organization for sensitization of our students regarding scopes and opportunities in NTH.
- 4) To host other related programmes in the future.

To initiate the activities in this respect, it will be of immense benefit if you can permit our UG students from the departments of Chemistry and Microbiology (approximately 30) along with few faculty members (approximately 4) for a daylong visit to your establishment tentatively in the second week of May or any other time according to your convenience.

Anticipating your kind and favorable response in this regard.

Yours sincerely

With kind regards

Principal
