

## **Key Indicator 7.2.1**

### **Best Practice II of AQAR 2022-23:-**

#### **1. Title of the Practice**

Incentive to outstanding and financial aid to needy students from college aid fund

#### **2. Objectives of the Practice**

To encourage meritorious students and monetarily help those who are economically underprivileged for their study-related expenditure from the college fund.

#### **3. The Context**

Some students faced financial problems due to inadequate family income, particularly in the aftermath of the COVID-19 Pandemic. They were finding it difficult to meet their study-related expenses in the wake of these circumstances.

#### **4. The Practice**

The Student Support Cell of the college examined applications from needy students and prepared a list who were provided monetary aid through cheque / bank transfer. Similarly, college toppers in each subject (both UG & PG) and student-achievers excelling in entrance-tests or recruitment exams were given prizes following the recommendations from the Head of Departments.

#### **5. Evidence of Success**

The auditing team from Principal Accountant General (A & E), West Bengal, praised the college for reaching out to students. Four students from History were given Rs 1500/- each, and four Sociology students Rs 3500/- each. Toppers and achievers were also awarded Rs 1000/- and Rs 5000/- respectively for their academic excellence.

#### **6. Problems Encountered and Resources Required**

The number of applications for financial assistance was quite huge. Since the corpus of the Student Aid Fund was limited, not all the students could be helped with monetary grants.

## Supporting Documents:

Four students of History Department named Rahmat Ali, Md. Mubarak Hussain, Razzak Ali Sekh and Md. Toufique who had applied for financial aid were given a sum of Rs 1500/- (Rupees One Thousand and Five Hundred only) each through cheque.

Sub.: Appeal for consideration of four Students' [SEM - 6] prayer towards financial support.

Sir,

This is for your kind information that SEM -6, Sociology (Hons) has field study in their syllabus which carries 100 marks. Accordingly, the Department has decided to visit Darjeeling to study the Awareness of Disasters which are happening in different time periods at Darjeeling. Total number of students in SEM -6 is 20. Out of 20 students only 02 students are not going due to their medical reasons. So, we are going to the field study with 18 students. On account of this field study, students are paying Rs.8000/- (approx.) per head but unfortunately only four students are unable to pay such amount. However, they are able to pay a very meager amount.

Therefore, it will be helpful if you kindly consider their prayer and provide them financial support then they will be going to the field study in Darjeeling. Letter from the students is enclosed herewith. *at least 50% of approx. cost*

Thanking you.

Yours Sincerely,

HOD,
