## POLICY DOCUMENT ON GREEN CLUB OF MAULANA AZAD COLLEGE

### **Introduction**

Maulana Azad College has created a Green Club as a part of National Service Scheme (NSS) Unit. This green club is playing an active role in bringing awareness among the students, so that everyone will join hands to protect mother earth.

**Motto: 'Save nature for a better future'**

### **Aims**

The main aim of establishing Green Club of Maulana Azad College is to conserve the natural resources and the natural environment, to create eco-friendly environment, create an awareness on biodiversity conservation, local environmental issues, to create a clean and green consciousness among students through various innovative methods.

### **Objectives**

- To conserve bio-diversity.
- To promote waste management & composting.
- To promote sustainable resource use.
- To promote eco-friendly environment in the campus.
- To promote recycling of single use plastics.
- To promote plastic-free college campus.
- To develop attitude and skill for environmental conservation

### **Rules & Regulations:**

- Work effectively and efficiently to ensure maintenance of a clean and green campus
- Encourage the students to plant trees in order to maintain a clean and green environment.
- Motivate students to adopt a lifestyle and set of practices that minimise waste generation, source separation, and correct disposal of waste in dustbins.
- Revive the indigenous knowledge of organic farming, bio-fertilizer and rain water harvesting, use of renewable energy sources for sustainable development of our society.
- Make students aware that using plastic bags on college campuses clogs drains and sewers, creates water logging, and serves as a mosquito breeding ground. Throw them only in the recycling bank for plastic in front of the college campus.

### **Extension & Outreach Activities of this Club includes**

- Organize tree plantation programme and cleanliness drives both within and outside the college campus, awareness programme such as quiz, painting, photography competitions and rally, marches, form human chains and perform street plays at public places regarding various environmental issues and educate students about re-use of waste material & preparation of products out of waste.
- Train the green volunteers for gardening on various aspects: medicinal, floral, agricultural and butterfly garden and maintain vermin-composting pits within the college, through experts.
- Organise seminars, debates, lectures and popular talks on environmental issues in the College.
- Campaign against plastic carry bags, use of loud speakers, fireworks, use of unnecessary horns and promote recycling of glass and metals, accumulation of water in the neighbourhood water bodies.
- Beautify selected road side area outside the college campus with plants and flowers and put campaign boards to generate awareness.
