Report of Communication development course on Islamic Languages (Urdu, Arabic & Persian)

Organised by IQAC, Maulana Azad College in collaboration with SNAP Academy, Kolkata

OBJECTIVE:

Developing knowledge on Islamic Languages like Arabic, Persian and Urdu makes the students equipped with the understanding of Islamic culture which help them in future. Considering the hefty number of Islamic students of the college, the language course for learning basic and advanced levels of Arabic, Persian and Urdu would be useful for them in the long run as foreign language trainers, translators, travel consultants etc. in view of the high demand of such language experts. Additionally, faculty members of different departments, especially those from languages, humanities and social sciences group can also benefit from this course professionally as it will enable them to expand their research horizons simultaneously enhancing their academic credentials.

- TARGET AUDIENCE/ PARTICIPANTS: Students and faculty members of both Institutions

- VENUE: The course was conducted in online mode using Zoom platform.

- EXPECTED OUTCOME: Creation of new employment opportunities for students in the job market and empowering faculty members to add further dimensions to their academic and research credentials.

- Resource Persons:

1) Dr. Aziz Bano,
Head, Department of Persian and &
Chairperson, BOS, Maulana Azad National Urdu University

2) Mr. Nilanjan Hajra, Journalist, Author & Translator

Sir,

Subject: Collaboration for providing Institutional Certificate for Language Course by SNAP Academy

We are writing this letter to request your approval in partnering with SNAP Academy for 'Languages Course' by providing our learners with a certification from your reputed institution.

SNAP Academy, is an initiative of Association SNAP, a registered non-profit organization, promoting well-being of the minorities and peace and harmony since 2007. In the past we have partnered with the primer institutions in West Bengal including Presidency University, IDSK, St. Xavier College and Jadavpur University etc, academic activities.

Continuing with our legacy, we have launched the first online 'Languages Course' this year in three languages – Arabic, Persian and Urdu, starting from July. The course curriculum for three of these languages is designed as a 6-month Basic Level Course for academicians, researchers, journalists and professionals who wish to read and communicate in them. This is an effort to specifically promote the rich heritage of Arabic, Persian and Urdu languages among non-native

speakers. Having registered learners from around the globe, SNAP Academy feels proud to inform you that this online Language Courses start from July-end.

With an inclination to add value to our course, we request that your premier institute partner with us to provide Certificates of Completion to the learners in preferably the Urdu and Persian courses. The physical infrastructure, learning resources, digital management and all related course expenditure will be borne by us, with no monetary contribution from your institution. However, as we have invited the renowned Dr Iftekhar Ahmed as a Faculty, who is currently the Head of Department of Persian at Maulana Azad College, we would like to honour it with this collaboration.

We have had a discussion with Dr Iftekhar Ahmed regarding this and his cooperation to this endeavor will be well communicated to you in person once we initiate with details on how to take the certification procedure further.

We are sure as a distinguished educator yourself, you would welcome the initiative and approve of this request readily.

Thanking You.

Yours faithfully,

Sabir Ahamed

Report on Communication Enhancement Course in English Language – Batch 1 & 2 (Session 2021-2022 & 20222-2023)

Objective: The objective of a course on communicative English is to enhance learners' ability to effectively communicate in English across various contexts. It induces enhancement in fluency, pronunciation, intonation, and confidence in spoken English through structured practice activities and real-life simulations. It also introduces new vocabulary related to various topics and situations, as well as strategies for acquiring and using vocabulary effectively in communication creating a supportive environment that encourages learners to overcome inhibitions and fear of making mistakes, fostering confidence in using English for communication.

Duration of the course: 30 hours for each batch (Batch 1- December 2021 to May 2022 & Batch 2- December 2022 to May 2023)

Instructor: Dr. A. Chakraborty, Dept. of Basic Science and Humanities, Future Institute of Engineering and Management, Kolkata.

No. of participants: 30 students in each batch.

Outcome: The successful completion of the course leads development of skills for effective communication in various interpersonal contexts, including formal and informal settings, professional environments, and social interactions. It familiarises learners with digital tools and resources that can aid in language learning and communication, such as online dictionaries, language learning apps, and communication platforms providing opportunities for real-life communication tasks such as discussions, debates, presentations, and role-plays, allowing learners to apply language skills in authentic situations.

Platform: Google meet.
